

Pistol Slapper Blues

Blind Boy Fuller

Standard tuning

1

The image displays a musical score for the song "Guitar Hero" by The Beatles. It includes a guitar staff with a treble clef and a bass staff with a bass clef. The guitar staff contains a melody line with various notes and rests, and the bass staff contains a bass line with corresponding notes and rests. Above the guitar staff, there are three chord diagrams: a G major chord (G), a D7 chord (D7), and a G major chord (G). The bass staff includes a tablature line with numbers 0-5 indicating fret positions. The score is divided into four measures, each containing a measure of guitar and a measure of bass. The guitar staff ends with a double bar line and repeat dots. The bass staff ends with a double bar line and repeat dots.

END

Pistol Slapper Blues

- 1** I can tell my dog anywhere I hear him bark
I can tell my rider if I feel her in the dark
- 1** You's a cold-blooded murderer, when you want me out your way
Says, that's all right mama, you gonna need my help some day
- 1** And you say you're gwonna put me, mama, down in my lonesome grave
Say you must remember, I once have been your slave
- 1** And I feel like snappin' my pistol in your face
Let some brownskin woman be here to take your place
- 1** Yeah-hey, hey-yeah, mm-mm, mm-mm
Let some brownskin woman be here to take your place
- 1** Now you know you didn't want me when you lie down 'cross my bed
Drinking your moonshine whisky, mama, talking all out your head
- Now give me the money, baby, I'll catch that train and go
- 2** You don't have to kill me 'cause you don't want me no more
Hey, hey, 'cause you don't want me no more
Now you give me the money, baby, and I'll catch that train and go
- 1** Now you see my rider, tell her I said bring it home
I ain't had no lovin. since my gal been gone
- 1** It's two kind of people in the world that I can't stand
That's a lying woman and a monkey man
- 1** Mm-mm, mm-mm
Mm-mm, mm-mm
